

[illegible]

The architectural drawing shows a detailed floor plan of a residential building, divided into two levels labeled A and B at the bottom. The plan includes various rooms such as bedrooms (camera), bathrooms (bagno), and living areas (cucina). Key features include:

- Level A (Top):** Contains several bedrooms and bathrooms. Rooms are labeled with their area (mq.) and R.A.I. value. Examples include a bedroom (mq. 14.01, R.A.I. = 117) and a bathroom (mq. 4.98).
- Level B (Bottom):** Similar layout to Level A, featuring bedrooms, bathrooms, and living spaces. Rooms are also labeled with area and R.A.I. values.
- Elevations:** Vertical dimensions are indicated along the left and right sides, representing different levels or heights within the building.
- Orientation:** Arrows at the top indicate North (N) and South (S) directions.
- Structural Elements:** Walls, doors, windows, and stairs are clearly delineated. Stairs are labeled "scala esterna".
- Technical Details:** Various symbols and notes are present throughout the plan, likely referring to specific construction or material specifications.
