

PLANIMETRIA AZIENDALE SCALA 1:500

The image consists of two main parts. On the left, the word "Motion" is written vertically in a large, bold, black font. The letters are slightly slanted, giving them a sense of movement. On the right, there is a minimalist illustration of a camera lens. It features a dark, triangular-shaped lens element at the front, followed by a white cylindrical body. Behind the lens, there are three concentric circles of varying sizes, suggesting depth of field or a frame. A thin horizontal line extends from the center of the lens towards the top right corner of the image.
